Mission Statement

Our mission is to ensure healthy people living in healthy, thriving communities through planning, education and enforcement.

Together we:

- Prevent or reduce disease and injury
- Promote healthier choices and assure access to care through collaboration
- Prepare for and respond to public health emergencies

Vision Statement

Healthy People
Living in Healthy Communities

About Us

We are a concierge health agency. The services we provide to our member communities are tailored to your needs and exceed the recommended State and local requirements. Through sharing services, we are saving your community money (precious tax dollars), and delivering exceptional, quality public health services. MCRHC is the only nationally (PHAB) accredited health department in Monmouth County.
