HEALTH OFFICER REPORT

The April 2020 Conferences & Meetings & Professional Trainings, the March April CDRSS Report, the PHN Monthly Report and the 1st Quarter Vital Statistics were previously mailed/e-mailed.

A Temple University student, Ananda Ramseur, began a Public Health internship at MCRHC in May.

COVID-19:
Weekly Health Officer MCRHC Teleconferences with Mayors/Administrators/Municipal Staffs and Community members continue.

The Health Officer reports:
Caseload is down, but a slight surge due to asymptomatic testing is expected
1800 cases handled during the month of April
LTCs required to test residents/staff every 3-7 days
Planned contact tracing involving 1,000 – 5,000 state hires in place by mid-late June. Software package to be utilized (COMPARE – pilot testing in progress). In the meantime staff members are performing isolation and quarantine follow-ups.
The Health Officer requested assistance in the form of a retired HO(offered by the State manage his workload. Waiting response.

HEALTH OFFICER REPORT (continued)

NJ has had the largest number of positive cases behind NY State, but we are now moving in the right direction.

Inquiries from the Commissioners included “the purpose of asymptomatic testing” HO response: to be an indicator of what the disease spread is like and if we need to work differently to contain. Dr. Fisher added and to show the percentage of positives is dropping.

Vinnie Buttiglieri motioned to approve the Health Officer’s Report, seconded by Stephanie Dollinger.

VOTE: Unanimous

Theresa Casagrande asked how we stand with the staff overtime budget incurred from COVID-19. What is the level of comp time? If grant funding is used, it does not make sense for staff to take overtime as “comp”. The Health Officer responded “we are in fairly good shape.” He continued by saying that overtime for pay or comp is an employee choice per Union agreement. The CFO’s input should be sought. Attorney Padula was asked to weigh in. He agreed with Commissioner Casagrande, and was of the belief that either an informal or formal sidebar agreement might be amenable to the Union.

The Health Officer was asked to look into this situation.

The MCRHC Bookkeeper is collecting data for possible FEMA reimbursement. Ms. Casagrande also referred to monies the County is receiving from the Federal Government. Is MCRHC entitled to part of those funds? She suggested the Health Officer contact their Administrator, Ms. O’Conner.

As mentioned to the Commission at prior meetings, The REHS staff has been working on Communicable disease communication with Town Officials, case investigation calls and case closeout. As facilities begin reopening the REHS staff will reposition back to their wide range of inspection and other duties.

Approved Minutes July 28, 2020
ORDINANCES:

No Pending Readings, Introductions or Adoptions

OLD BUSINESS:

ACCREDITATION: Due to the current extenuating public health circumstances, the Public Health Accreditation Board (PHAB) has granted an extension of 90 days to all going through the process. This brings the new MCRHC deadline into November 2020. As the department workload is not expected to curtail through predicted future waves through to the first quarter of next year, Theresa Casagrande suggested that the Health Officer not delay in requesting an additional extension.

NEW BUSINESS:

NJACCHO COVID-19 FUNDING: It is anticipated that all NJ LHDs will receive additional monies to support COVID-19 work. The CDC will send funds to the state who will in turn direct them to the NJ Health Officers’ Association for further distribution to the LHD’s. The funds are to cover the period of 5/1/20 - 6/30/21. Pending award letter receipt, a roll call vote is deferred to June. This is part of $5 million dollars to be made available to NJ LHDs.

FINANCIAL DISCLOSURE FILING – The April 30, 2020 deadline has been extended to July 31, 2020. A handful of our members have not filed.

President Giles questioned where COVID-19 vaccine would be stored once available. It is not certain whether it would be stored at MCRHC or any local health department. He did feel there should be a conversation about refrigerator/building security with the staff and at the next Board meeting.

GENERAL COMMENTS:

The Health Officer was asked if pools will open soon. He advised Conference calls with the State and review of draft protocol have occurred, however no timeframe has yet been handed down.

After a very brief discussion, President Giles determined the next Regular Meeting will be held remotely at 6:00 pm on June 23, 2020.

Vice-President Roman provided The Health Officer with NJLM documents he would like to distribute to Commission members. They will be forwarded in a weekly email.
There being no further business, the meeting adjourned at 12:07 pm on a motion by Dr. Fisher, seconded by Theresa Casagrande.

VOTE: Unanimous

**Next Regular Meeting of the MCRHC No.1 Commission will be held on Tuesday, JUNE 23, 2020 at (6:00 P.M) at the Regional’s headquarters located at American Red Cross building 1540 West Park Avenue – Suite # 1, Tinton Falls, New Jersey.**
