* Confirmed and approved cases, as of date this report is compiled. Data for 2021 are considered preliminary and subject to change.

Comments:

- Sexually transmitted disease and tuberculosis cases are reported directly to the NJ Department of Health.

For more information about this report, please call Jessica Ferreira at (732) 493-9520 or email jferreira@mcrhc.org.

Performance Management for Immediately Reportable and 24 Hour Reportable Communicable Disease:

- Immediately reportable diseases are responded to and investigated immediately 100% of the time.
- 24 hour reportable diseases are responded to and investigated on the same day, or on the next day 100% of the time.

***Included in this report are MCRHC towns and Middletown.**

***Since December 2020, Confirmed cases of Novel Coronavirus 2019 (SARS CoV2) have decreased slightly although total numbers of cases have increased. This is likely due to the increase in Negative test results, resulting in cases classified as Not a Case.**
