This would be a state mandate for which LHDs do not receive payment. The proposed $300.00 permit fee to operate in this manner would go to the Stat, however the LHDs would be responsible to inspect the locations that apply.

A resolution to honor the contributions of William (Bill) Simmons to the MCRHC staff who passed away recently will be presented in August. Bill was the former MCHD Environmental Coordinator and worked with our REHS staff part-time in past years.

Dr. Sullivan inquired about the aforementioned COVID-19 cases involving young people. Are they generally not being hospitalized due to minor or no symptoms? The Health Officer with input from Dr. Fisher commented that from what they have knowledge of, this was true.

OFFICE SECURITY – The staff is working on obtaining quotes for refrigerator/building security. One quote was received and Commissioner Anthony is helping to research a second. Discussion will be held at the August 25, 2020 meeting.

TOWN CONTRACTS – President Giles briefly mentioned updating our town contracts. He suggests including the names of the appointed Commissioner and Alternate within the body of the document. No opposition voiced.

He continued on to thank the Boroughs of Allenhurst, Deal and Loch Arbour for joining the quorum. While we, as many others, continue convening via the Zoom platform, a day time meeting may work best, although it is understood no one time suits all.

Committee meetings might also be scheduled via Zoom.

GENERAL COMMENTS:
Vice-President Roman took a few moments to comment on the serious problem that many contact tracers are facing, namely disrespect and a lack of participation for what they are working to accomplish – saving lives. Their calls are not for the purpose of gaining or sharing personal information. He urges town officials to work within their jurisdictions to support this public health protocol. He is working with other public health groups to prepare a PR campaign and Public Service Announcement (PSA) to be widely distributed. He will provide the Health Officer and Commissioners with the finished products, as they become available.

After brief discussion, President Giles determined the next Regular Meeting will be held remotely at 11:30 am on Tuesday, August 25, 2020.

There being no further business, the meeting adjourned at 12:06 pm on a motion by Dr. Fisher, seconded by Vinnie Buttiglieri.

VOTE: Unanimous
