MONMOUTH COUNTY REGIONAL HEALTH COMMISSION #1
(AN ASSOCIATION)

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007

Note 1. General

The Monmouth County Local Health Unit #2 Advisory Board held its organizational meeting on October 9, 1936. The Advisory Board was comprised of delegates from the Boards of Health of each District represented. Districts represented included the Borough of Monmouth Beach, Borough of Oceanport, Township of Ocean, City of Long Branch and the Borough of West Long Branch. The purpose for which the Board was formed was to consider the advisability of policy and activities in each of the districts and the Unit as a whole. Funds, provided by the State, were handled by the Commissioner of Finance of the City of Long Branch. On January 29, 1947, the organization reorganized and changed its name to the Monmouth County Regional Health Commission #1.

The Commission operates as an association of boards of health pursuant to an act of the Legislature of the State of New Jersey, entitled "Health and Vital Statistics", N.J.S.A. 26:3-83 et seq., and any amendments and supplements thereto. A regional health commission arranges annually with each participating board of health the nature and amount of public health services to be furnished and the sum to be paid for such services. It reports annually to each participating board of health and to the State Department of Health.

Note 2. Basis of Accounting

The statements and schedules are presented in accordance with generally accepted accounting principals.

Note 3. Cash and Cash Equivalents

Cash and cash equivalents are comprised of interest bearing checking accounts and certificates of deposit with original maturities of three months or less. Certificates of deposit with original maturities of more than three months are classified as investments in accordance with financial accounting standards.

Operating cash, in the form of checking and money market accounts, is held in the Commission’s name by commercial banking institutions. At December 31, 2008, the carrying amount of the Commission’s deposits was $542,683.49 and the bank balance was $562,965.85. Of the bank balance, $250,000.00 was insured with Federal Deposit Insurance Corporation. Public Funds in excess of $250,000.00 are protected by the Governmental Unit Deposit Protection ACT (GUDPA).
Note 3. Cash and Cash Equivalents (Continued)

Pursuant to GASB Statement No. 40, "Deposit and Investment Risk Disclosures" ("GASB 40"), the Commission’s accounts are examined in order to determine exposure, if any, to determine exposure, if any, to Custodial Credit Risk (risk that in the event of bank failure, the Commission’s deposits or investments may not be returned). Deposits are considered to be exposed to Custodial Credit Risk if they are: uncollateralized (securities not pledged to the depositor), collateralized with securities held by the pledging financial institution, or collateralized with securities held by the financial institution’s trust department or agent but not in the Commission’s name. At December 31, 2008 $312,965.85 of the Commission’s deposits were unsecured and uncollateralized. The Commission does not have a policy for custodial credit risk.

As of December 31, 2008, the Commission had funds invested and on deposit in an interest bearing checking account. These funds constitute "deposits with financial institutions" as defined by GASB Statement No. 3 and are summarized as follows:
